The mission of the College and Career Readiness and Success Center (CCRS Center) is to foster the capacity of vibrant networks of practitioners, researchers, innovators, and experts to build and sustain a system of support for states as they implement strategies to improve college and career readiness and the eventual success of their students.
Who? 
State education agencies (SEAs)

What? 
Build SEA capacity to implement college- and career-readiness policies.

How? 
Provide technical assistance, including targeted and intensive support.

Why? 
Support SEAs to plan for and implement the Every Student Succeeds Act (ESSA).

School House Connection
Overcoming Homelessness Through Education
Broad Overview

ESSA amended McKinney-Vento, Title I, and the entire Elementary and Secondary Education Act in 2015

- State and local personnel
- Definitions
- Overcoming homelessness through education
  - Removing barriers
  - School of origin
  - Immediate enrollment
State Coordinators

Every state educational agency ( SEA) must have a State Coordinator who can “sufficiently carry out” their duties 11432(d)(3)
- Ensure McKinney-Vento students receive “the full protections and services provided by” the law 11432(f)(7)
- Monitor all LEAs 11432(f)(5)
- Gather and post homelessness data on the SEA website 11432(f)(1)(A) & (f)(3)
- Collaborate with broad array of educators, service providers, community organizations and policymakers 11432(f)(4) and Guidance E8
Local Liaisons

Every local educational agency (LEA) must designate a liaison, whose duties include:

◦ Identify McKinney-Vento students
◦ Post public notice of McKinney-Vento rights to parents and youth
◦ Provide professional development and support on McKinney-Vento to school staff
◦ Connect young children to preschool, Head Start, and early intervention
◦ Connect families and youth to housing, health, mental health and other services 11432(g)(6)
Definition: Who is Eligible?

Children and youth who lack a *fixed, regular, and adequate nighttime residence* 11434a(2)

- Sharing the housing of others due to loss of housing, economic hardship, or similar reason
  
  [76% of identified MV students in 2014–15]

- Motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations

- Emergency or transitional shelters

- Public or private place not designed for or regularly used as accommodations

- Cars, parks, abandoned buildings, substandard housing, bus or train stations, or similar settings
Being homeless doesn't just mean living in shelters...

- 78% of formerly homeless students surveyed say homelessness was something they experienced more than once.
- 47% say they were homeless both with a parent or guardian and alone.
- 94% stayed with other people rather than in one consistent place they called home.
- 50% slept in a car, park, abandoned building, bus station or other public place.

Data

1.26 million children and youth, preK-12, identified and enrolled in school in the 2014-15 school year
  ◦ 3.5% increase over 3 years
  ◦ 21 states had an increase over 10%.
  ◦ 34% increase since the recession ended (2009)

95,032 unaccompanied youth: a 21% increase

Infancy is the period of life when a person is most at risk of living in a homeless shelter
Overcoming Homelessness Through Education

The McKinney-Vento Act

- Removing barriers
- School of origin and transportation
- Immediate enrollment
- Getting to graduation and beyond

Title I
Overcoming Homelessness: Removing Barriers

SEAs and LEAs must develop, review, and revise policies to remove barriers to the identification, enrollment and retention of McKinney-Vento students, including barriers due to outstanding fees or fines, or absences 11432(g)(1)(l)

◦ This is a “broad, on-going requirement... with regular input from homeless parents, youth, and advocates so that new barriers... do not prevent” students from full, immediate enrollment and services Guidance A4
Staying in the School of Origin

Each LEA shall, according to the child’s or youth’s best interest:

- Keep the student in the school of origin for the duration of homelessness, and until the end of the academic year in which the student becomes permanently housed; or

- Enroll the student in any public school that housed students living in the attendance area where the student is living are eligible to attend 11432(g)(3)(A)
Immediate Enrollment

McKinney-Vento students are entitled to immediate enrollment in any public school that students living in the same attendance area are eligible to attend, even if: 11432(g)(3)(C)

- Students do not have required documents, such as school records, records of immunization and other required health records, proof of residency, guardianship, or other documents; or
- Students have missed application or enrollment deadlines during any period of homelessness
Getting to Graduation

Starting in 2017-18, state report cards must disaggregate achievement and high school graduation data for McKinney-Vento students 20 USC 6311(h)(1)(c)

Graph 2: Class of 2014 On-time (Four-year) State High School Graduation Rate by Poverty and Housing Status

- Colorado: 77.3% All Students, 64.2% Economically Disadvantaged, 62.7% Homeless
- Kansas: 85.8% All Students, 77.2% Economically Disadvantaged, 68.4% Homeless
- Virginia: 89.9% All Students, 81.8% Economically Disadvantaged, 70.4% Homeless
- Washington State: 77.2% All Students, 66.4% Economically Disadvantaged, 46.1% Homeless
- Wyoming: 78.6% All Students, 65.4% Economically Disadvantaged, 53.0% Homeless
Getting to Graduation: Earning Credits & Participating Fully

SEAs and LEAs must implement procedures to identify and remove barriers to McKinney-Vento students receiving appropriate credit for full or partial coursework completed at a prior school 11432(g)(1)(F)(ii); 11432(g)(6)(A)(x); Guidance O2

States must implement procedures to remove barriers to academic and extracurricular activities, including magnet school, summer school, career and technical education, advanced placement, online learning, and charter school programs 11432(g)(1)(F)(iii)

We are all People!

• Students are people first

• Students experiencing homelessness are afforded the basic rights of all students

• Homelessness is an experience not an identity
“I Work for You; You’re My Boss”

• Schools exist for students, not students for schools

• We are paid to deal with their problems; we should not feel inconvenienced

• Don’t use the law against a student, it is there to help
Listening Pays Off

• Everyone has a story
  • “I am here for you...Last year we stayed in the motel and I remember how tough it was...This is your time to talk, where do you want to start?”

• Be vulnerable to share your story

• Be vulnerable to learn their story
“You Are The Best and Smartest You”

• “You can search the world a million years and won’t find the same fingerprint”

• Learn students by name, face, and situation

• Believe in your heart that each and every student can succeed in the right climate
“All Kids Are Our Kids!”

• Know students by name and face

• This is someone’s child
  • Education is a personal professional

• Would I like my child to be treated that way?
This Must Be Everyone’s Issue

• This work can’t belong only to the district liaison

• Tier your support to all students and staff

• Take suggestions from staff

• Praise your team publicly
Improved Systems Improve Solutions

• Housing Questionnaire
  • Mail merge pre-filled information
  • Send out in as many possible languages
  • Send out twice a year

• Utilize database systems
  • Home Language Spreadsheet
  • Intake form
  • Referral for services
The More You Do, The More You Need To Do

• The law is your friend
  • Use it to help not to hurt

• Tracking student movement

• Debunking stereotypes while building relationships

What Keeps Us Separated?

- **Hard Factors:**
  - Rules/laws
  - MOUs*
  - Data
  - Firewalls
  - Funding

- **Soft Factors:**
  - Assumptions
  - Perspective
  - Beliefs
  - Values

*Memos of Understanding
Approaches for Promoting Collaboration

- Shared understanding of Regulations for each system
- Recognizing our own mental models
- Stakeholder analysis
- Identifying boundary spanners
Boundary-spanners “are individuals who can “move freely and flexibly within and between organizations and communities” (Peter Miller, 2009)
